

Technical Data Sheet:

Product: Pro-Ex Gel 1KG

Composition/Information on ingredients

Component/Substance	Percent of Content	CAS Number	EINECES Number
Calcium chloride	60%	10043-52-4	233-140-8
Starch	40%	9005-25-8	232-679-6

Type	Calcium chloride desiccant 1000g
Packaging	1pcs/bag, 10pcs/carton
Product Weight	≥1000g
Product Dimension(mm)	860*155 ± 5mm
Term of validity	2 years from the date of MFG
Condition of Storage	In the dry, Avoid direct sunlight
Certificate	ROHS, REACH, DMF FREE

Pro-Ex gel 1kg high efficient desiccant advantages:

1. Absorbs up to 300% of its own weight depending on mix and packaging.
2. Strong moisture absorption, turn to gel after absorbed, no leakage.
3. Completely after absorption of water does not evaporate.
4. Can application temperature range from -5°C to 90 °C。
5. Environment protection, no-toxic.
